EXECUTIVE OFFICER

Dear Commissioners:

**APPROVE CONTRACT FOR ELEVATOR MAINTENANCE SERVICES FOR
14 SENIOR HOUSING DEVELOPMENTS WITHIN LOS ANGELES COUNTY
(ALL DISTRICTS) (3 VOTE)**

SUBJECT

Approval of this Contract will provide monthly standardized elevator maintenance services for 37 elevators located at 14 senior housing developments within the County of Los Angeles. The Contract will allow the Housing Authority to continue providing safe and functioning elevators at the 14 senior housing developments.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the approval of a Contract for maintenance services for 37 elevators at 14 senior housing developments located in the County of Los Angeles is exempt from the California Environmental Quality Act (CEQA) as described herein, because the activities will not have the potential for causing a significant effect on the environment.
2. Approve and authorize the Acting Executive Director to execute the attached one-year Contract with Excelsior Elevator Corporation, to be effective on December 16, 2008, to provide elevator maintenance services for 37 elevators located at 14 senior housing developments (identified in Attachment B), located throughout the County of Los Angeles, that are owned or managed by the Housing Authority, and to use for this purpose a total of \$60,021, comprised of \$50,559 in Conventional Public Housing Program funds provided by the U.S. Department of Housing and Urban Development (HUD) and \$9,462 in Project-Based Section 8 Program funds provided by HUD.

3. Authorize the Acting Executive Director to execute amendments to the one-year Contract, following approval as to form by County Counsel, to extend the term of the Contract for a maximum of four years, in one-year increments, at \$61,822 for the second year, \$63,676 for the third year, \$65,587 for the fourth year, and \$67,554 for the fifth year, using funds to be approved through the annual budget process.
4. Authorize the Acting Executive Director to execute all necessary administrative amendments to the Contract as well as any amendments to increase the annual compensation amount, in an amount not to exceed thirty percent of the applicable contract year compensation amount, following approval as to form by County Counsel, to provide for any unforeseen needed elevator maintenance services, using the same sources of funds described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to approve a Contract for monthly standardized elevator maintenance services for 37 elevators located at 14 senior housing developments throughout the County of Los Angeles. Several of these elevators are older and require regular repair to maintain a constant level of good service.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The aggregate amount for all five years of the Contract, if fully extended, will be \$318,660 plus an additional \$95,598 for any unforeseen repair costs, for a total aggregate amount not to exceed \$414,258.

For the first year of services under the Contract, the Housing Authority will use a maximum aggregate of \$60,021, comprised of \$50,559 in Conventional Public Housing Program funds from HUD and \$9,462 in Project-Based Section 8 Program funds from HUD, included in the Housing Authority's approved Fiscal Year 2008-2009 budget.

After the first year, the Housing Authority may extend the Contract for an additional four years, in one-year increments, at \$61,822 for the second year, \$63,676 for the third year, \$65,587 for the fourth year and \$67,554 for the fifth year, contingent upon availability of funds.

A thirty percent contingency, in the amount of \$18,006 for the first year, \$18,547 for the second year, \$19,103 for the third year, \$19,676 for the fourth year and \$20,266 for the

fifth year, is also being set aside to provide for any unforeseen necessary elevator maintenance services, using the same annual source of funds described above.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

These services are being federally funded and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County. Instead, Excelsior Elevator Corporation will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by Excelsior Elevator Corporation. On November 19, 2008, the Housing Commission recommended approval of the Contract award.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (b)(3), this project is excluded from the National Environmental Policy Act (NEPA) because it involves activities that will not alter existing environmental conditions. The action is exempt from the provisions of CEQA pursuant to State CEQA Guidelines Section 15301 because it does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On September 23, 2008, the Housing Authority initiated an outreach to identify an elevator service maintenance company. Request for Proposal Notices were mailed to 27 elevator maintenance providers identified from the Housing Authority's vendor list. Advertisements also appeared in eight local newspapers and on the Community Development Commission and Los Angeles County Websites. Eight proposal packages were distributed.

A mandatory Pre-Proposal Conference and site walk was held on October 7, 2008, and seven contractors attended. Addendum No. 1 was issued on October 10, 2008 to extend the proposal due date. Addendum No. 2 was issued on October 16, 2008 to revise the Scope of Work and extend the due date to October 22, 2008 to allow the contractors additional opportunity to review the Scope of Work and visit any of the

Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Housing Authority's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. The insurance policies shall contain a waiver of subrogation for the benefit of the Housing Authority. Failure on the part of Contractor, and/or any entities with which Contractor contracts, to procure or maintain the insurance

coverage required herein may, upon the Housing Authority's sole discretion, constitute a material breach of this Contract pursuant to which the Housing Authority may immediately terminate this Contract and exercise all other rights and remedies set forth herein, at its sole and absolute discretion, and without waiving such default or limiting the rights or remedies of the Housing Authority, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by the Housing Authority shall be immediately repaid by the Contractor to the Housing Authority upon demand including interest thereon at the default rate. In the event of such a breach, the Housing Authority shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Housing Authority's rights against the Contractor or the insurance carrier.

When Contractor is naming the Housing Authority as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 10 01. The report will include improvement/corrective action measures taken by the Housing Authority and Contractor. If improvement does not occur consistent with the corrective measure, the Housing Authority may terminate this Contract, pursuant to Paragraph 13 or 14, or impose other remedies as specified in this Contract.

13. TERMINATION FOR CONVENIENCE

The Housing Authority reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

- A. Should the Contractor fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of this Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor, and should the Contractor neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the Housing Authority within the time specified in such notice, the Housing Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.
- B. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the work to be done under this Contract is abandoned for more than three days by the Contractor, then notice of deficiency thereof in writing will be served upon Contractor by the Housing Authority. Should the Contractor fail to comply with the terms of this Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of Commission shall have the power to suspend or terminate the operations of the Contractor in whole or in part.

In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at

the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

- Each section of the Contract/SOW referenced and identified;
- The standard of performance (description of the work requirement)
- The method to be used to monitor work performance
- The fees/deductions to be assessed for each service that is not satisfactory

All listings of services used in the PRS are intended to be completely consistent with the Contract and the SOW, and are not meant in any case to create, extend, revise, or expand any obligation of the Contractor beyond that defined in the Contract and the SOW. In any case of apparent inconsistency between services as stated in the Contract and the SOW and this PRS, the meaning apparent in the Contract and the SOW will prevail. If any service seems to be created in this PRS which is not clearly and forthrightly set forth in the Contract and the SOW, that apparent service will be null and void and place no requirement on the Contractor.

When the Contractor's performance does not conform to the requirements of this Contract, the Housing Authority will have the option to apply the following non-performance remedies:

- Require the Contractor to implement a formal corrective action plan, subject to approval by the Housing Authority. In the plan, the Contractor

must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

- Reduce payment to the Contractor by a computed amount based on the penalty fee(s) in the PRS.
- Reduce, suspend or cancel this Contract for systematic, deliberate misrepresentations or unacceptable levels of performance.
- Failure of the Contractor to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specified within ten (10) days shall constitute authorization for the Housing Authority to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of the Contractor's failure to perform said service(s), as determined by the Housing Authority, shall be credited to the Housing Authority on the Contractor's future invoice.

This section does not preclude the right to terminate the contract upon thirty (30) days written notice with or without cause, as provided for in the Contract, Section 13- Termination for Convenience.
